## **Bhagavad Gītā - Chapter 18**

Wherever there is Kṛṣṇa, the  
master of all mystics, and  
wherever there is Arjuna, the  
supreme archer, there will also  
certainly be opulence, victory,  
extraordinary power, and  
morality. That Is my opinion.

**SATHYAM SHIVAM SUNDARAM**

*Supreme Secret Of Life*

*Marvelous Miraculous Mystical*

*Sri Krishna's Message of Love*

**MY DEAR ONES**

*I Love you, I Love you, I Love You*

**I.** I love you very much, I love you very much, I love you very much, I love you forever, forever, forever, I love you, inspite of you, inspite of your misbehaviour, inspite of your wanton play. I know not why? Yet I love you! The very moment you think of me in you mind honestly and sincerely, I shall be there to guide you, rest assured...

**II.** I Love you very much but nobody need install me anywhere in the world. I am already there in

**BE WITH YOUR GOD**

your hearts. You have covered your hearts with lids. Open the lids and let me be free. You cannot hold me longer like that, wider the outlet, happier I am. I am love, pure love in your heart; let me love you; I love you very much.

**III.** My creation is so beautiful, if you want to, do rejoice and celebrate life but don't meddle with it and spoil the beauty which I like very much.

**IV.** My work is being disturbed and hampered because of your behaviour and because of your wanton play. My machinery is being meddled by you unnecessarily. I warn you, I caution you, because you are my child and I love you.

**V.** I believe in action than words. Action speaks louder than words. But don't bother me by your words. Do something good if you want to please me.

**FLY/ FIRST LOVE YOUR'SELF**

**VI.** Do something creative to help me in my work, if you can. But rest assured, I love you if you don't spoil my work atleast.

**VII.** Don't strive, struggle and strain yourself to achieve success. instead love me and love others. Others means, in the order of priority, first your Father and Mother, then your Brothers and Sisters; thereafter your Spouses and Children; Relatives and Friends and Others again. Success shall be yours. It is a promise I make unto you my children.

**VIII.** Prayer is one thing I like most but Pray for others also, as I love them too.

**IX.** Fraternity is another thing I like most. Go ahead and befriend the whole world. Love one another but don't bother me. Solve your problems among your selves.

**BE WITH YOUR FAMILY AND FRIENDS**
